

# DRILL AND CEREMONIES PERFORMANCE ASSESSMENT

CACC Standard 5D

## SQUAD DRILL RUBRIC

Name of Cadet \_\_\_\_\_ Rank \_\_\_\_\_ Date \_\_\_\_\_

Name of Drill Movement	4 = Excellent	3 = Good	2 = Fair	1 = Poor
FORWARD MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
HALT	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
OPEN RANKS	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
CLOSE RANKS	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
LEFT FLANK MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
RIGHT FLANK MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
COLUMN LEFT MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
COLUMN RIGHT MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
REAR MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)

CHANGE STEP MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
FALL-IN	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
DISMISSED	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
BACKWARD MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
DOUBLE TIME MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
MARK TIME MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
LEFT STEP MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
RIGHT STEP MARCH	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)
COUNT OFF	Movement is executed perfectly with no hesitation	Movement is executed correctly with slight hesitation	Movement is executed nearly perfectly with slightly noticeable errors	Movement is executed with obvious error (s)

TOTALS:                    4 \_\_\_\_\_                    4 \_\_\_\_\_                    4 \_\_\_\_\_                    4 \_\_\_\_\_

                                  x 4 = \_\_\_\_\_                    x 4 = \_\_\_\_\_                    x 4 = \_\_\_\_\_                    x 4 = \_\_\_\_\_
