What are traits?

- Qualities
- Characteristics
- Ways we describe a person

There are 14 Leadership Traits

- They can be memorized using a mnemonic device (the first letter of each trait makes another word or phrase).
- The phrase we use is JJ-DID-TIE-BUCKLE.
- It sounds strange, but it can help us memorize the long list of 14 traits

The First Trait: Judgment

- Making good decisions; the right decisions
- Thinking through your decisions before acting
- Considering all the options and choosing the best one

Justice

- Fairness
- Working for what you know is right
- Treating people with reasonableness

Dependability

- What does it mean to be dependable?
 - People can rely on you to follow through when you say you will do something
 - You get the job done without fail
 - You can be trusted to accomplish the things you have been asked or told to do
