9

## **Know your cadets and look out for their welfare**

Know what they are good at and what they are not so good at

Know what their needs are

Look out for their safety and wellbeing at all times

## 10

### Keep your cadets informed

Make sure they know what's going on

Be sure they understand the reasons behind decisions

Communicate with them regularly to tell them what you know about official CACC business (not gossip)

## **Seek responsibility and take responsibility for your actions**

Always want to get more rank and positions of leadership so you can be a better and more effective leader

When you make decisions or choose to do/no do something, always accept the blame when it is wrong
