

Leadership Principles

The Final Three :)

Review

1. Know yourself and seek self-improvement.
2. Be technically and tactically proficient.
3. Develop a sense of responsibility among your subordinates.
4. Make sound and timely decisions.
5. Train your cadets as a team.
6. Set the example.
7. Train your cadets in accordance with their capabilities.
8. Ensure the task is understood, supervised, and accomplished.

Know your Cadets and Look out for their Welfare

- Know what they are good at and what they are not so good at
- Know what their needs are
- Look out for their safety and well-being at all times

Cadet Welfare...

- Are cadets too cold, too hot, or just right?
- Are cadets tired or hungry?
- Are they doing things that are unsafe that might get them hurt?
- Are they happy and motivated?
- Did they all eat before you do?

REMEMBER:

***Your cadets come first.
Do not expect them to do
anything you yourself would not
be willing to do.
Take care of their needs **BEFORE**
you take care of your own needs.***

Keep Your Cadets Informed

- Make sure they know what is going on at our unit, at the Brigade, in the state
- Be sure they understand the reasons behind decisions
- Communicate with them regularly to tell them “the scoop” on everything you know about official CACC business (not gossip:)

Ways to inform:

- Newsletters
- Daily briefings
- Bulletin boards
- Chalkboards/white boards with “announcements” sections
- Can you think of others?

Seek Responsibility and Take Responsibility for your Actions

- Always want to get more rank and positions of leadership so you can be a better and more effective leader
- When you make decisions or choose to do/not do something, always accept the blame when it is wrong
