

Leader's Code

Part Three

I train my cadets as a team and lead them with tact enthusiasm and justice. I command their confidence and their loyalty: they know I would not assign them any duties I, myself, would not perform. I make sure they understand thier jobs and I follow through energetically to ensure their duties are completed fully; I keep my cadets informed, and I make their welfare one of my prime concerns. These things I do selflessly in fulfillment of the obligations of leadership and for the achievement of the group goal.
