

# Assessment

## Survival: Signaling

Name \_\_\_\_\_

The task: Draw a wilderness area (an overhead view) and include a drawing of a realistic survival signal which you think would catch the attention of a pilot from high up in the sky.

The rubric: Your drawing will be evaluated on the following characteristics (1 point each):

- The drawing shows a natural wilderness setting. \_\_\_\_\_
- It is drawn from an overhead viewpoint. \_\_\_\_\_
- It includes a survival signal that would clearly catch the attention of a pilot flying high above the site. \_\_\_\_\_
- The drawing shows careful attention to detail. \_\_\_\_\_
- The drawing is neat and colorful. \_\_\_\_\_

Grading:

A = 5

B = 4

C = 3

D = 1 or 2

F = 0
