Marching

They Say That in Cadet Corps

They say that in Cadet Corps, the food is mighty fine
How the heck would they know, they never tasted mine
They say that in Cadet Corps, the chicken's mighty fine
One jumped off the table and started marking time
They say that in Cadet Corps, the coffee is mighty fine
It looks like muddy water and tastes like turpentine
They say that in Cadet Corps the biscuits're mighty fine
One rolled off the table and killed a friend of mine
They say that in Cadet Corps, the uniforms are mighty fine
Me and my best buddy can both fit into mine
They say that in Cadet Corps, the girls are mighty fine
They look a bit like grandma and walk like Frankenstein
They say that in Cadet Corps, the boys are mighty fine
They look like Humpty Dumpty and all they do is whine

Running

When My Granny

When my granny was 91
 She did PT just for fun
 When my granny was 92
 She did PT better than you
 When my granny was 93
 She did PT better than me
 When my granny was 94
 She did PT more and more
 When my granny was 95
 She did PT to stay alive
 When my granny was 96
 She did PT just for kicks
 When my granny was 97
 She up and died and went to heaven
 She met St. Peter at the pearly gates
 Said, "Gee, St. Peter, hope I'm not late
 St. Peter said with a big ol' grin
 "Get down granny, and give me ten"
