

Cadences

Running

Can't You See

Mama, Mama cant you see?
O, what the Cadet Corps done to me...
They sat me down in the chair,
When I looked I had no hair

O, Mama, Mama can't you see?
O what that Cadet Corps done to me...
He made me march really far...
Then he passed me in his car

Mama Mama can't you see?
What the Cadet Corps done to me?!
After I passed the really hard test...
They stuck a ribbon on my chest.

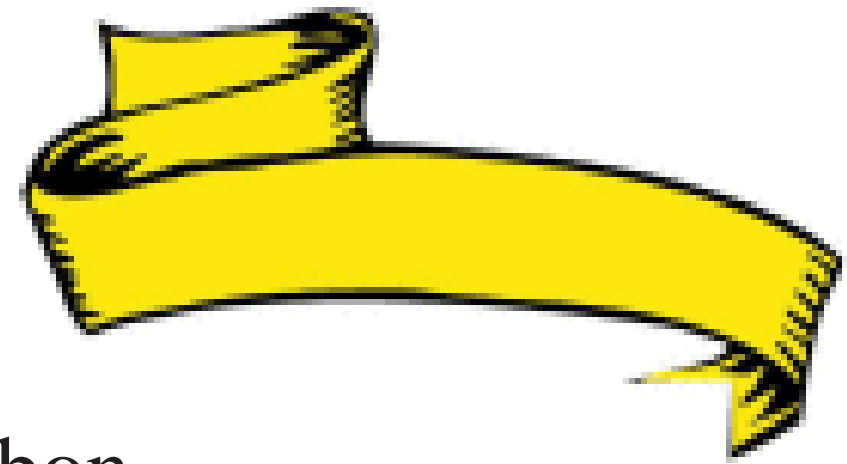

Mama, Mama can't you see?
What Cadet Corps done to me.
I'm walkin tall and feeling good,
I'm doing things I never knew I could.

Some people talk behind our backs,
But we'll beat'em all on the PT track.
We love to show the world what we do,
We do it best and so can you.

Cadences

Marching

A Yellow Ribbon

Around her head she wore a yellow ribbon.
She wore it in the springtime in the early month of May.
And if you ask her why she wore it.
She wore it for that Cadet who was far, far away.

(Chorus)

Far Away

Far Away.

She wore it for that Cadet who was far, far away. HEY!
