Name \_\_\_\_\_

Create a visual time line with at least 10 events from California History during the period from 1950 to present:

The diagram is a staircase-style timeline template. It consists of ten rectangular boxes, each containing a number from 1 to 10. The boxes are arranged in a descending staircase pattern from top-left to bottom-right. Each box is connected to the next by a horizontal line on its right side and a vertical line on the next box's left side. The boxes are intended for students to write historical events from California between 1950 and the present.
