Looking Good

Look to my right and what do I see?
A whole bunch of people looking at me!
Look to my left and what do I see?
A whole bunch of people looking at me!
Dress to the right and cover down
Thirty inches all around
Standing tall and looking good
We ought be in hollywood

Want to Be

I wanna be a Sergeant Major
I wanna shave off all my hair
I wanna live a life of danger
I wanna be beyond compare

Life of Danger, Sergeant Major

I wanna be a Sergeant Major
I wanna shave off all my hair
I wanna make those Cadets suffer
I wanna wear that smokey bear
