

Assessment

California Government: Judicial

Name _____

Create an “organizational chart” for the California judicial system. Include all of the following in the chart:

- State Supreme Court with the names of all current seven members
- All appellate court numbers and locations
- All superior courts

Your chart will be evaluated using this checklist:

The names of all seven members of the Supreme Court are accurate

The correct number of Appellate Courts is included

The correct locations of all Appellate Courts in included

The correct number of Superior Courts is noted

The relationships between those courts is clear

The relationship between courts is indicated correctly

The chart is neat and shows pride and care have been taken by its creator
