# SUMMARY of CHANGE

CR 1-1

## Cadet Decorations and Awards

- \* Total number of ribbon based awards has been increased from 62 to 90. Total number of shoulder cords has been increased from 4 to 8.
- \* Cloth ribbons replace the everclean ribbons, which are authorized for wear until 30 June 2010.
- \* The 1/8-inch spacing between rows of ribbons has been eliminated.
- \* Clarifications have been added regarding numerals and other accoutrements for subsequent awards.
- \* The accoutrements for brigade and state first place awards have been changed to gold oak leaves and gold star respectively. A gold bear has been added in lieu of subsequent awards beyond the 9<sup>th</sup> award.
- \* Provision to revoke or change permanent orders is made in cases where information is received subsequent to the original order publication, which invalidates or substantially changes the award for which a cadet has previously qualified.
- \* The Merit Ribbon is no longer authorized as an award in lieu of civic awards. An Executive Officer's Citation, a Brigade Advisor's Citation, a Principal's Citation have been added which can be used for such recognition depending on the nature and extent of the recognition. Additionally, the Merit Ribbon is now authorized to be awarded to cadets who have earned first, second, or third place honors in national level competitions in drill and ceremonies and/or various academic disciplines.
- \* Medals have been added for 2nd and 3rd place teams at State Drill Competition and all cadets who win their Brigade Drill Competitions and represent their brigades at the State Competition will be awarded the appropriate State Drill Championship ribbon without accoutrement in recognition of having reached the state level of competition.
- \* The "junior high" and "high school" divisions of competition have been replaced by a "junior division" and "senior division". Clarification has been made that "freshmen schools" consisting of only 9<sup>th</sup> grade students will fall into the senior division in such competitions.
- \* A separate category of "armed division" has been added to the state drill championship awards which separates it from the junior and senior divisions which are unarmed.
- \* Color Guard and Guidon competition ribbons have been added.
- \* State sanctioning of specialized, summer and survival training awards have been clarified with procedures for units to request state sanctioning.
- \* The requirement for the survival training ribbons has been changed from 60 to 80 hours and the requirement for survival training programs to be approved by the HQCACC has been eliminated except in cases where the unit wishes to award the red beret.
- \* A Mountaineering Training ribbon has been added with a provision for advanced

mountaineering school.

\* An Event Honor Unit ribbon has been added to allow brigades to recognize cadets who are members of honor units at brigade activities.

\* The Competitive Drill Team ribbon has been expanded to include competitions other than brigade drill competitions. A National Competitive Drill Recognition ribbon has also been added.

\* The Orienteering ribbon now includes medals for earning first, second, or third place in a brigade or regional orienteering match.

\* The Exhibition Drill Team ribbon can now be awarded to cadets who place in competitively judged parades and other competitions. Also, the "sling rifle" attachment has been authorized for cadets who earn this ribbon while competing with arms.

\* An Executive Officer's Citation and a Brigade Advisor's Citation have been added to recognize meritorious service in furtherance of the mission of the cadet corps.

## 1-1. Authority

Section 510, California Military and Veterans Code provides that members of the California Cadet Corps shall wear uniform items, to include decorations and awards, as may be prescribed by the Adjutant General.

## 1-2. Responsibility

Decorations and awards will be administered and issued by the California Cadet Corps (CACC), brigades, regiments and units as authorized by this regulation. Commandants of cadets are responsible for ensuring compliance with provisions for unit level awards. Brigade advisors are responsible for ensuring compliance with provisions for brigade and regimental level awards. The Executive Officer of the California Cadet Corps or his/her staff officer designee is responsible for ensuring compliance with provisions for state level awards.

## 1-3. General provisions

*a.* Except as otherwise noted, awards identified in chapter 2, section 1 of this regulation are awarded on state permanent orders only. Except as otherwise noted, awards identified in chapter 2, section 2 of this regulation are awarded on brigade or regimental permanent orders only. Except as otherwise noted, awards identified in chapter 2, section 3 of this regulation are awarded on regimental or unit permanent orders only.

*b.* Awards will be provided to each brigade headquarters by Headquarters, California Cadet Corps (HQACC) within limits of the budget. Awards may be requisitioned from HQACC by brigades using appropriate forms. Subordinate units should requisition necessary awards from their assigned brigade headquarters using appropriate forms accompanied by copies of supporting permanent orders.

*c.* Brigades, regiments, and units are authorized to furnish distinctive awards not worn on the cadet uniform at their own expense, such as trophies, plaques and certificates. Decorations and awards intended for wear on the cadet uniform, not specified in this regulation, are not authorized for either issuance by any cadet corps unit or for wear on any cadet uniform.

*d.* Decorations and awards will be awarded only to authorized individuals assigned to a recognized California Cadet Corps unit who have completed the requirements set forth in this regulation.

*e.* Decorations and awards will be announced through publication of unit, regiment, brigade or state permanent orders.

*f.* Decorations and awards presented to cadets by other organizations will not be worn. See the Executive Officer's Citation, Brigade Advisor's Citation, Principal's Citation, Commandant of Cadets Citation, and other award descriptions for alternate recognition.

*g.* Ribbons worn by cadets will be the cloth type, and will be worn as prescribed in para 1-4, this regulation. Everclean (plastic coated) ribbons will be authorized for wear in conjunction with cloth ribbons until 30 June 2010.

*h.* Decorations and awards will not be replaced by this headquarters due to loss, theft, or unserviceability, unless accompanied by a written request from the brigade advisor citing circumstances necessitating replacement.

*i.* This regulation has been reviewed for the use of neutral language. Unless otherwise noted, where the third person singular is used, the word "he", "himself" and so on, will be understood to stand for both masculine and feminine genders.

*j.* Cadets may not earn multiple awards for the same action. Cadets may only earn the highest award for which they qualify.

### *k. Junior division.*

(1) Any cadet in grade 9 or below who is enrolled in a school with any of the following phrases in the title – elementary school, intermediate school, middle school, junior high school, or junior school.

(2) Any cadet in grade 8 or below who is enrolled in a school that encompasses both divisions (i.e. grades 6-12).

### *l. Senior division.*

(3) Any cadet enrolled in a school that serves only 9th graders.

## 1-4. Manner of wear

*a.* Individually awarded ribbons and honor bars will be worn directly above the left uniform pocket in order of precedence with the highest decoration to the wearer's right.

*b.* Ribbons awarded to units, the Unit Community Service Award and the Superior Unit Award, will be worn directly

above the right pocket with the Unit Community Service ribbon worn to the wearer's right, if a cadet has earned both citations.

*c.* Ribbons will be worn with no space between rows.

*d.* Ribbons will be worn with the darker color to the wearer's right, using the following order of dark to light colors – black, brown, purple, dark blue, red, green, orange or gold, light blue, yellow, light gray, and white. The ribbon chart in appendix B indicates the proper orientation and manner of wear for all ribbons. The one exception to this rule is the manner of wear of the Color Guard Ribbon.

*e.* A cadet may not simultaneously wear two or more of the same ribbon.

*f.* When a medal is awarded, both the medal and the corresponding ribbon may not be worn simultaneously.

*g.* For all awards, except the Cadet Medal of Honor, only the single highest accoutrement may be worn on a ribbon at one time, using the following order of precedence from highest to lowest –

(1) Gold star. Normally denotes a state level first place award.

(2) Silver star. Normally denotes a state second place award.

(3) Bronze star. Normally denotes a state third place award.

(4) Gold oak leaf. Normally denotes a brigade first place award or degrees of unit level award achievement.

(5) Silver oak leaf. Normally denotes a brigade second place award or degrees of unit level award achievement.

(6) Bronze oak leaf. Normally denotes a brigade third place award or degrees of unit level award achievement.

(7) Gold bear. Worn in lieu of a cadet's tenth award; additional gold bears may be awarded for each additional tenth award such that upon a cadet's 20th award, a second gold bear is worn. Three bears are worn to denote the 30th award and so on. No other types of accoutrements may be worn on a ribbon with one or more gold bears (e.g. a cadet who has earned a ribbon 26 times wears only two gold bears on that ribbon until such time as s/he earns the award a thirtieth time after which the cadet may wear the third gold bear). The maximum number of gold bears a cadet can wear is three.

(8) Gold frame. Worn only on unit awards.

(9) Bronze letter "E". Denotes special achievement or "honors at graduation".

(10) Sling rifle, bronze. Worn only on the Exhibition Drill Ribbon in recognition of earning the ribbon while performing with arms.

(11) Bronze numeral. Subsequent awards, when authorized, are denoted by numerals "2" through "9" for 2nd through 9th award, respectively.

*h.* When a medal is awarded, accoutrements are authorized for wear on the ribbon and may not be worn on the corresponding medal.

*i.* Medals may be worn in lieu of and in position of qualification badges. The order of precedence for medals is identical to the order in appendix A, with qualification badges being placed lower than medals in the following precedence –

(1) CACC Rifle qualification badge(s).

(2) Civilian marksmanship program badge(s).

(3) National rifle association marksmanship badge(s).

*j.* A cadet may not simultaneously wear two or more of the same medal or qualification badge.

*k.* Medals and qualification badges will be worn in the manner prescribed in Cadet Regulation 1-8, Cadet Uniforms.

### **1-5. Administrative processing**

*a.* Requests for individual awards will be submitted to HQCACC in memorandum format with any additional documentation as required by this regulation.

*b.* Requests for organizational unit awards will be forwarded to HQCACC in memorandum format with any other documentation as required by this regulation.

*c.* Units hosting an event culminating in the issuance of a state level award (i.e. awards for the State Drill Championship) will prepare and submit a memorandum to HQCACC, to provide the necessary information for the publication of state permanent orders.

*d.* In this regulation, where units, regiments, or brigades are authorized to request state sanctioning of an event for the purpose of awarding decorations normally reserved for higher headquarters issuance only, such requests shall be submitted in memorandum form to HQCACC, no later than 30 days prior to the event. Copies of event training schedules, circulars, curricular materials, and any other supporting documentation should be attached to the request.

*e.* In the event that a cadet has been awarded a decoration and information comes to light after the award which would invalidate or substantially change the award, appropriate orders of revocation or change may be published with a notation in the “Special Instructions” section which indicates that receipt of subsequent information necessitates revocation of the original orders.
