CHAPTER 1

GENERAL

1-1. PURPOSE.

This regulation explains the requirements for the State of California Military Department to recommend individuals for the Designated Subjects Special Subjects Basic Military Drill Credential (DSSSBMDC) which authorizes holders to teach the California Cadet Corps in grades K-12 and classes organized primarily for adults.

1-2. OBJECTIVE.

It is the objective of the Adjutant General that all instructors recommended for the DSSSBMDC be highly qualified and meet the highest standards of personal and professional preparation and conduct.

1-3. AUTHORITY.

- a. Sections 502 and 502.1 of the California Military and Veterans Code gives the Adjutant General control over the appointment, commission, and promotion of California Cadet Corps officers.
- b. Sections 44250-44279 of the California Education Code govern the issuance of teaching and service credentials for the State of California.
- c. Section 44260.4 of the California Education Code states that the Commission on Teacher Credentialing (CTC) shall determine the requirements for the DSSSBMDC.
- d. Section 44260.8 of the California Education Code states that the requirements for the clear DSSSBMDC shall include the study of health education and technology in the classroom.
- e. CTC Leaflet CL-699 outlines the requirements established by the CTC for issuance of the preliminary and clear DSSSBMDC.

1-4. FIVE-YEAR PRELIMINARY CREDENTIAL. The five- or one-year preliminary credential is the ONLY credential that may be issued for an applicant's initial credential application. Applicants may NOT apply for a clear credential as the initial credential. This rule also applies for individuals who hold other credentials. Applicants for the five-year preliminary DSSSBMDC must meet ALL of the following requirements.

- a. Verification by the Adjutant General of four years of military or CACC experience, at least one year of which must have been within the three-year period immediately preceding the issuance of the credential. The verification of experience also confirms that the credential holder has met "subject matter competency" in the CACC curriculum as outlined in 1-4(b) below. The Director of Youth Programs (DYP) has been delegated authority to sign letters to the CTC verifying experience, commonly referred to as TAG letters (letters from the Adjutant General). In order for an applicant to qualify for a letter from the DYP verifying experience, the minimum requirements must be met in one of the following ways:
 - a. Four years of service in the United States Army, Marine Corps, Air Force, Navy, Coast Guard, or U.S. Public Health Service, attaining the rank of E-4 or higher. At least one year of service must have been in the three-year period immediately preceding the issuance of the credential.
 - b. Four years of service in the California Cadet Corps as an adult commissioned officer in the Commandant Corps (as a brigade or regimental advisor, brigade support officer, commandant at a private school, assistant commandant or special projects officer). At least one year of service must have been in the three-year period immediately preceding

the issuance of the credential. Note that years of service as a cadet or CACC volunteer do NOT count toward this requirement.

- c. Four years of credentialed teaching experience with a preliminary or clear single subject or multiple subject or service credential (other than an emergency permit).
- b. Verification of mastery of the basic CACC curriculum as evidenced by BOTH of the following.
 - a. a score of 80% or higher on a Commandant Basic Knowledge Test (CBKT) administered by HQCACC consisting of 100 multiple choice questions from the cadet promotion tests through C/SSG; and
 - b. passing scores on each of seven performance tasks (map and compass reading, first aid and CPR, drill and ceremonies, wear and appearance of the cadet and commandant uniform, lesson planning and methods of instruction, military courtesy and customs, and firearms safety and marksmanship).
 - c. Mastery must be demonstrated prior to a request for the letter from the DYP verifying experience.
 - d. The CBKT and accompanying performance tasks will be administered in conjunction with the annual Basic Commandant Training Academy (BCTA).
 - e. The DYP may, at his discretion, issue a TAG letter for a one-year preliminary credential if the applicant misses the window to complete the BCTA; however, the applicant must complete BCTA and the BCKT with performance tasks within that one year period.
- c. Possession of a high school diploma or GED or foreign equivalent.
- d. Successful completion of the Basic Commandant Training Academy (BCTA), a 60-clock hour program of training sponsored by HQCACC. This requirement may be temporarily waived if an applicant has completed at least 50% of the Commandant Training Academy and is enrolled in the remaining uncompleted portion(s).
- e. Completion of a two-semester unit or three-quarter unit course in the Provisions and Principles of the U.S. Constitution at a regionally accredited college or university OR successful completion of an examination on the same given by a regionally-accredited college or university.
- f. Sign a statement verifying awareness by the applicant of the requirements for the clear credential.

1-5. CLEAR CREDENTIAL. All of the following must be met to apply for and be granted the Clear DSSSBMDC.

- a. Possess a VALID preliminary DSSSBMDC.
- b. Obtain verification by an Employing School District of two years of successful teaching experience in the California Cadet Corps program (minimum of one course/section per semester and the renewal of an employment contract/agreement with one school district for a minimum of three of the four semesters).
- c. Successful completion of nine semester units or 135 clock hours of personalized preparation as verified by one of the following agencies (note that each agency will establish its own requirements for completion of the “personalized preparation” requirement):
 - a. California State University at Long Beach
 - b. California State University at San Bernardino
 - c. University of California at Riverside (Extension)
 - d. Mendocino County Office of Education
 - e. Sacramento County Office of Education
 - f. San Diego County Office of Education
 - g. Metropolitan Education District, Santa Clara County
- d. A course or courses in health education which include nutrition, adult, child, and infant CPR, the physiological and sociological effects of alcohol, narcotics, and drug abuse; and the use of tobacco.

1-6. ONE-YEAR PRELIMINARY CREDENTIAL. A one-year preliminary DSSSBMDC may be issued to individuals who meet all of the requirements in 1-4 above EXCEPT the U.S. Constitution requirement listed in 1-4(e). Individuals who receive a one-year preliminary must complete the U.S. Constitution requirement within one-year from the date the initial credential is issued. It is the

responsibility of the credential holder to fulfill this requirement in a timely manner. The DYP may, at his discretion, issue a TAG letter for a one-year preliminary credential if the applicant misses the window to complete the BCTA; however, the applicant must complete BCTA and the BCKT with performance tasks within that one year period.
